## ARMENIANS EAT HUMAN FLESH TO PREVENT STARVATION

Boston, Mass., Aug. 8. — Rather than starve to death, Armenians are eating human flesh, according to dispatch received by American committee for Armenian and Syrian relief.

Armenians who have been driven out upon the deserts have frequently pounced upon the bodies of exhausted comrades and have feasted upon them, says the dispatch. Lack of food has driven people practically to animal life. Men and women have been seen crawling upon the ground in desperate hunt for grasses and herbs.

## U. S. OFFICER KILLED BY TRAIN

New Braunfels, Tex., Aug. 8.—Corp. Elmer E. Cromley, 30, Company I, 3d Illinois Infantry, of Aurora, Ill., and Henry Benoit, merchant, instantly killed here last night when "Katy" Texas special struck their automobile. Cromley and Benoit, who is also a constable, came here to arrest a Mexican for a minor offense.
